A special Thank You to our sponsor and associate Taylor Trimble of Kentucky Powersports and Outdoors. They offer great bargains and specials throughout the year on Honda parts and services. If you need a carry conceal class or want to purchase a gun, give them a shout.

During the Open House we found out that Taylor will store your Goldwing, maintain the battery, give it a good clean up and have your bike ready to ride in the spring for \$149.00. With at least 24 hour notice you can even check your wing out for a day or two of riding if you need too. Please keep them in mind for your servicing and parts needs.

Remember we change our gathering time and day for 2015. We will now gather on the third Saturday of each month eating at 11:00 and meeting at 12:00 noon with rides to follow our gathering.
