

2026 Ride In

Daniel Boone National Forest Ride

Brief Description:

This ride will head south, first through farmland outside of Winchester. We will experience a “warm up” to our cornering skills along State Rt 974 as we head towards the Daniel Boone National Forest on Rt 89. After passing through the small town of Irvine we will encounter some elevation changes and numerous “twisties” in the forest. We will have a lunch stop at El Dorado Mexican Restaurant, 180 W. Water St, McKee, KY. 40447.

After lunch, the ride then heads north and meanders along gentle curves on Rt 421 until we reach Buc-ee’s at 1013 Buc-ee's Blvd, Richmond, KY 40475. We will stop here for refueling and refreshing. After this stop the ride passes through Fort Boonesborough State Park, eventually arriving back at the church.
