

2026 Ride In

Versailles/Paris Horse Farms

Brief Description:

This ride will head south of Lexington, through Nicholasville and then to the Versailles area to ride through some horse farm areas. It includes a stop in Midway at the Brown Barrel Restaurant for lunch. The restaurant is located at 204 N. Gratz St., Midway, Kentucky 40347.

After lunch, the ride will visit more horse farm areas east and north of Lexington. It will go past Midway University and then ride past the Weisenburger Mill. The mill has been operated for 6 generations of the Weisenberger family since 1865. As you approach the mill you will see some grinding wheels incorporated into the stone fence before passing over a one lane bridge with a small dam/water fall on the right side of the bridge.

The ride will stop at [Caffe Marco](#) or [Hopewell Bake Exchange](#) in Paris before heading back to the Ride In.
