# KENTUCKY ROAD RIDERS STATE NEWSLETTER

WING'D  
RIDERS

## KENTUCKY

### Inside Kentucky

### Blast off to Summer

The temperatures are warming up and KRR is off and riding. Despite the excessive rainfall, thunderstorms and flooding, our Chapters are out riding whenever they get the chance.

Chapter K Henderson Wings is riding all over with plans for Kentucky, Illinois, and Virginia. Chapter C is heading for Sweetwater, TN and Red River Gorge. Chapter A is getting ready for their covered Bridges ride, and Chapter G has lots of rides in the book for Kentucky and Ohio. Go ahead and ask me how I know all this info? It's all available on the Google Calendar on the State KRR Website! Thanks for the hard work of our webmasters across the state, we now have all of this information in one place, easy to find and easy to follow. We have all the tools at our fingertips. Now let's get out and have a great riding season!

## State Directors Report

**Rick and Leah  
Cridlin**

Kentucky State Directors

It's May and we are just a month away from the Ride-In, hosted by Chapter Y. We have been receiving registrations, but there are still some of you who haven't registered yet. What are you waiting for? The area promises some great riding and of course there will be fun times with friends from all over the state, and maybe even some from other states. A lot of work goes into putting the Ride-In together and the reward for all the effort is a smile on your face. Visit the website at [www.kyroadriders.org](http://www.kyroadriders.org) for registration, and all the latest information including lodging in the area. Leah and I are camping at the Kentucky Dam Village State Park and are hosting a cookout on Thursday evening, and Chapters Y and K will hold their monthly gathering during the weekend, so it is a perfect time to get your passport stamped. Information on the Blast is also available on the State website.

I'm sure you have heard by now that the Wing'D Rider Rally#3, which was scheduled to be held in Box Elder, SD has been cancelled. John Lazzeroni posted complete details behind the reason for the cancellation, which I feel is very clear, and completely understandable. Those of us who have planned a rally have a clear grasp on what it takes to pull one off, and the financial commitments involved. John asked State Directors to push early registration by the end of December so he could persuade vendors to come, but as he stated, there were less than 150 people registered. Just for a comparison, we had a little less than that at last year's Blast and we only made a small profit after covering all the expenses. Leah and I, as well as some others from Kentucky, have kept our lodging reservations and are still planning to ride to Rapid City, SD. The area has some beautiful riding and historic sites to see. Please feel free to join us, and make sure to let us know if you plan to do so.

Anyone feeling a little Deja-vu? I'm referring to the news about the changes being made with Wing'D Rider to JMC Riders. From the perspective of a member, the only thing changing is the name of the parent organization, and reduced membership dues. What that means for the Chapters and the State, is that we can continue to function as we have been. John Lazzeroni has also stated that we can continue to wear the Wing'D Rider logo as long as we want and there will be no requirement to change to the new logo, but that he hopes people will change over to the new logo as they replace their apparel in the future. There have been all kinds of comments, both positive and negative, on social media concerning the change. Some of the negative comments have been very negative. I have been to 3 different chapter gatherings since the announcement and from what I can tell, it looks like our members are ok with the change. I asked for feedback, and remained available after each gathering, and no one has expressed any opposition. I have reached out to each of the chapter directors and asked for feedback, and so far, I have only received one negative response, and that came from a member, not a chapter director. I really don't want to assume anything, but the message I am receiving appears to be that we here in Kentucky want to continue with what we have been doing and keep the insurance coverage provided by JMC Riders, which allows us to provide the Ride-In and The Blast.

## State Directors Report - Continued

**Rick and Leah Cridlin**

Kentucky State Directors

Please feel free to contact me if you have anything you wish to comment on. No formal or final decisions have been made and will not be made until we absolutely have to. For the members, all you need to do if you want to continue is to renew with JMC Riders when your Wing'D Rider membership is due to expire. The biggest question out there seems to be, "What's in it for me?" I really struggled with giving a simple answer to this question until a chapter director recently shared with me that when asked that question his response was, "How much is it worth to you to be a part of this chapter?" The response given was that it was invaluable. What a perfect response! So, that really is the best answer to the question. How much is it worth to you for your chapter to be able to continue? Continued membership is the only way we can continue to operate fully. Of course individuals within a chapter could continue as a social group any way they wanted, but that is just not the same. I do urge each of you to not only renew your membership, but to find others to join as well, and keep in mind that we are open to any and all riders, no

As stated so many times in the past, we can only be successful if you participate. Your participation is our driving force and the reward that each of us on the State and Chapter Teams get in return for our time and effort. To those of you who have given your unwavering support, I thank you from the bottom of my heart. To those of you on the fence, I ask that you please jump off on our side. To those of you who don't wish to continue, I truly wish you the best, and I hope you know that you are always welcome back.

Please ride safely,

## Assistant Directors Report

**Dan and Rita Bondourant**

State Assistant Director

Well I hope everyone is getting ready to head west as in Western KY for the 2025 Kentucky Ride Inn the first weekend in June. We have some great rides planned, fun events and great food. So please make plans to head this way for a fun weekend.

Also as you ride remember that the farmers are out so be on the watch for dirt or mud clods in the roads. If you see a bike ask if they ride with a group and would be interested in joining JMC Riders. Hope to see you soon.

That's all from the West this month.

## State Educators Report

**Rick and Kim  
Artmayer**

State Educators

This month as promised, here are some tips for the safe use of a trailer. First, we need to make sure our equipment is correct.

### TRAILER HOOKUP CHECKLIST

- ◇ Trailer ball matches coupler size
- ◇ Trailer ball properly torqued on the ball mount
- ◇ Ball mount secured in the receiver tube with a hitch pin or lock
- ◇ Trailer ball fully engaged in the coupler
- ◇ Trailer is level and inline with the tow vehicle
- ◇ Coupler latch in the locked position and secured with a safety pin or lock
- ◇ Trailer jack fully retracted
- ◇ Electrical plug firmly inserted in the vehicle socket
- ◇ Safety chains hooked up and crisscrossed underneath the coupler
- ◇ Running lights, brake lights and turn signals working on the vehicle and trailer

Second, loading and weight distribution is important. The simple rule to follow is to place 60% of the weight in front of the axle and 40% behind. An unbalanced trailer can lead to trailer sway and other dangers while driving. Plan to load from the center of the trailer towards both ends, with the heaviest items more towards the front. This will help to decrease the rotational inertia about the vertical axis and keep the trailer more stable. Don't get too worried about the distribution of weight but do be conscious of it. Even distribution of the load usually works just fine. Try to keep the load low and flat, with heavier items on the bottom, and lighter ones on top. A lower center of mass is always better. A tall load will need more care in corners, and slower speeds are recommended for trailers with a high center of mass. Keeping the load generally centered left to right in the trailer is also recommended. It may be necessary to use cargo dividers, straps, or empty containers to keep items from shifting during travel.

Once everything is loaded, recheck your tongue weight. Be sure that it does not exceed the rating of your hitch, and that it does not overload your tow vehicle. Then take it for a test ride, and if anything feels strange, stop and reposition things as necessary. Be aware of the effects of increased speed on the trailer handling. The increased momentum will require more effort to steer your rig down the road.

**Ron Harper**

State IOY

### State Individual of the Year

The calendar says it's Memorial Day on the last Monday in May. If that is so, what happened to "Decoration Day"?

While growing up, it was known as "Decoration Day". To us kids it meant no school, parades, picnics, or numerous other fun things to do, always celebrated on May 30th.

The original holiday began following the Civil War when communities began decorating the graves of Union soldiers. Over time, the tradition expanded to all who died in the service of our country. Today most of us use this day to remember all that have passed away.

Decoration Day was named a Federal Holiday by Congress in 1938 and was to be on May 30th. In 1971 Decoration Day was changed to Memorial Day and was to be celebrated on the last Monday in May. The reason given for the change was so that Federal employees would have a three day weekend.

If that being true, I sure hope congress does not decide to do the same thing with Christmas.

### State Pins and Patches

**John Keiter**

State Pins and Patches

Riding Season!

Yes, it really is time to ride. Just make sure you and your bike are both ready. No one needs a breakdown, or heaven forbid, an accident.

The Kentucky Ride In is coming up, so get your registrations in the mail. I think there will be some really great rides planned.

Don't forget, if you need anything for your vest, let me know and I'll bring it to the Ride In.

Wear your hearing protection! It doesn't take long and it protects your ears.....when your hearing is gone, it's gone!

Ride safe, but ride

Welcome to the state-wide Kentucky Road Riders Bingo Challenge! It is simple to play and hopefully includes something for everyone. Just pick your favorite row of 9 items (vertical, horizontal or diagonal), find each item/location, and snap a picture with your thumb up in front of each. Once you have collected all 9 pics, email those to [mepc@kyroadriders.org](mailto:mepc@kyroadriders.org). The Challenge will run until August 10th. The winner will be randomly selected from all completed entries received by that date and will be announced at the Blast at General Butler State Park August 14-16. \*In case anyone is interested special recognition will be given to anyone who chooses to do a cover-all :-)

### For Sale

Garage kept 2014 Honda GL1800 Audio Comfort Goldwing with Roadsmith trike kit. With only 60,195 miles, this "Batwing" is a combination of flat and gloss black and is a sleek looking bike. Rear tires have less than 500 miles, new battery, fresh oil change, and all maintenance records including the 48,000 mile service. Wired with XM satellite receiver and GPS. Vortex

windshield. Asking \$24,000 or best offer. His & hers intercom and stereo wired helmets also available at \$350 each or \$600 for both.

Come see this one!

Call 859-750-4328

### For Sale

**Honda Goldwing 2002, 1800cc, 96128 miles, - \$5500.00 Illusion Red, excellent condition, serviced ready to ride.**

**Contact Charlie Hobbs—859-802-6931**

New front tire at 94891 miles, replaced hydraulic fluids at same service. rear tire at 84845 miles (service papers with bike). Lots of chrome, hand guards, mounted GPS, CB, highway pegs, belly pan, Honda service Manuel, 2 half covers, dust cover, front tie down strap. I would not hesitate to take this bike on a cross country trip. If wanted a spare rear end assembly from a trike conversion.

## For Sale
