

2026 Ride In

Wild Turkey and Four Roses Distilleries

Brief Description:

This ride will take you to [Wild Turkey Distillery](#) and [Four Roses Distillery](#). The route will head south of Lexington and Versailles and into Lawrenceburg where it will stop at the [Wild Turkey Distillery](#).

On the way to Lawrenceburg, you will cross the Kentucky River. To the left of the bridge is a very tall railroad bridge that has a bungee jumping stand in the middle of the bridge. If you are lucky, you can watch someone take a jump.

After visiting the Wild Turkey Distillery, the next stop on the route is the [Four Roses Distillery](#). It is one of the few bourbon brands to survive Prohibition. In 1922 it bought the rights to sell Four Roses as a medical whiskey during Prohibition.

When you leave Four Roses, the route will take you back through Lawrenceburg and Versailles. You will take Pisgah Pike over to Old Frankfort Pike. As you turn on Pisgah Pike you will pass the Kentucky Castle. Pisgah Pike will take you past Win Star Farm which had the Derby winner in 2010 (Super Saver) and in 2018 (Justify).

You will eventually make your way past the Kentucky Horse Park as well other horse farms on Iron Works Pike.
