State Couple of the Year !

Jim & Kay Bryan

This Month we will not have our first Saturday meeting. Instead we are having the Annual Holiday get together which will be held on January 10th, 2026 @ 1:30 PM, CT. The address is 12991 Hwy 136 East, Henderson, Ky. We are the last house on the road.

From the Chapter Directors Corner:

December traditionally is the month for giving, whether it be to family and friends or those less fortunate than ourselves. I can certainly say that Chapter K embodies the best of these characteristics. Whether it is giving to the homeless, or to a family in need, or a loved one, the members of Chapter K readily step up and say "I'll help".

Of course, that same spirit of giving is shown throughout the year for the various activities and functions in which the Chapter participates.

As we sit waiting for the weather to warm enough so that we can take our machines on the road, whether that be 32 or 72, let us all be thankful for the organization that unites and gives us a purpose and a reason to ride.

Thanks to all members of the State Staff and their respective committees for all the hard work and sacrifice to put these events together. And thanks to all the members that participate, without you this organization would cease to exist.

Happy Holidays ☺

**All those who wander are not lost
(they may just be looking for
some really good ice cream ☺)**

Chapter Rides:

Christmas Parade

The annual Henderson Shriners Christmas parade was December the 6th and as has been the custom for several years Chapter K participated. The Chapter had breakfast before the parade at the Eastgate Restaurant and lunch after at the Metzgers. Nothing beats a burger and soup or chili on a cold day :}

There were three Trikes and a Grinch in a slingshot. LOL

Donations to Children's Advocacy Center

On Tuesday December 16th Kathy and I had the privilege of delivering all the donations, gifts, food supplies, gift cards and cash that the members from Chapter K donated. These generous donations will make one Henderson family's holiday much brighter this year. Thanks to all who participated.

Upcoming Events, Rides, and Associated Goings Ons.....

News Years Day Ride (Brrrrrr) also know as the Frozen Pickle?

We are looking to ride on New Years Day, if the weather will be permitting. Perhaps a mile for each degree? Let's tentively agree to meet at Thorton's at 10 AM on New Years Day.

Holiday Get Together

The Holiday get together will be held on January 10th, 2026 @ 1:30 PM, CT. We will host the event as always. Members are to bring a gift for the same sex with an upper limit of \$25. Finger foods, deserts, and drinks will be furnished by us. More details to be discussed at meeting. Please let Kathy know by Dec 31 if you and whoever you wish to bring are planning to attend.

Rider Education Report

By: Richard Artmayer

Happy New Year. I hope everyone had a nice Holiday season. I do a lot of thinking and planning from inside this time of year, due to the less than favorable weather for going and doing things outside. One of my normal goals is to not make the same mistake twice. I believe those who do not learn about the past are doomed to repeat it. So, I think about what I have done during this past year and apply what I have learned while making plans for this year.

I also like to learn about the things others have done, especially in areas of interest to me, such as motorcycling and vehicle maintenance. Examining the thought processes that others use to solve problems helps me to solve my own problems. And the internet is full of “influencers” and “bloggers” who are perfectly willing to share their experiences, both good and bad, for all to read and see. Even professional sites like **Linked in** have people willing to share stories that teach lessons. The following is one such story I find very inciteful.

A little bird was flying South for the Winter. It was so cold the bird froze and fell to the ground into a large field. While he was lying there, a cow came and sh*t on him.

As the frozen bird lay there in the pile of cow dung, he began to realize how warm he was. The dung was beginning to thaw him out! He lay there all warm and happy and soon began to sing for joy.

A passing cat heard the bird singing and came to investigate. Following the sound, the cat discovered the bird under the pile of cow dung and promptly dug him out and ate him.

There are three things to take away from this story:

1. Not everyone who sh*ts on you is your enemy.
2. Not everyone who gets you out of sh*t is your friend.
3. And when you are in deep sh*t, you would be better served if you kept your mouth shut!

I am looking forward to another year filled with fun and discovery.
